

2019 Activity Report

2019/7/1 – 2020/6/30

Not-for Profit Corporation
Habitat for Humanity Japan (HFHJ)

1 Overall result of activity

Thanks to many supporters and volunteers, HFHJ was able to continue its Global Village program to provide decent houses in Asia-Pacific region as well as leadership training program mainly for our Campus Chapter students. Through the Project HomeWorks (PHW) in Tokyo, HFHJ also provided those in need, mostly the elderly and the handicapped, with house repair and cleaning to improve their housing conditions. Through these activities, HFHJ has gained new partners who support its vision, mission and principles. HFHJ also has sent out the message of importance of participatory civil society as well as housing issues in society. Although HFHJ steadily expanded its activities in the first half of FY20, the second half was heavily impacted by COVID-19 pandemic both operationally and financially.
